---	---	--

We need two people to run the equipment for each of these concerts - first priority will go to those who have both Equipment 1 or Basic Equipment and ProTools 1 or MicroTrack II certification, but you can be involved if you at least have Equipment 1/Basic Equipment (although you may not be able to actually record).

Please return the bottom half of this slip immediately so I know whom to expect.

=====

_____ will be there to help with recording and sound at

(put an "x" in front of the concerts for which our young tech will be available)

- ___ Band Concert, Thursday, April 29
- ___ Orchestra Concert, Monday, May 3
- ___ Chorus Concert, Wednesday, June 2

Pickup will be around 9:00 pm (probably 9:15 for the band concert).
